**are you ready to take the next step?**

**your next step will take you on a journey toward achieving your dreams of living in your own place, with your own furniture and electrical goods, and where your friends and family can visit you**

**you will have the support of a committed worker who will work along side you until you are ready to go it alone**

# plan

**first you need to plan to make your dreams come true !**

**your first step** will be to tell the Case Manager at Burdekin Place that you want to take the **next step**, and they will link you with the next step project manager

# commit

**are you ready to make a  
commitment to your future?**

**you have your dreams, and your plan on how to  
get there, next you have to make a  
commitment, first to yourself, then formally  
with the **next step** program.**

**this will involve working with your support  
worker to **make a deal** that sets out what  
*you* will do, and what **next step** will  
provide—the deal will be binding on both**

# receive

**the next step project will give you the opportunity to receive the following:**

**You will receive assistance in setting up your home and ongoing support from a youth worker. With each **step** completed you will receive **rewards** that will be decided upon together.**

**While working towards your goals with the youth worker you will receive **assistance** and **support** throughout the process.**

# participate

**you are encouraged to participate and work with the youth worker so you can succeed together!**

**you will be visited regularly by the youth worker, who will work with you to develop new skills and strategies to help with maintaining your home.**

**You will also be encouraged to participate and be involved in your community while also giving you an opportunity to have enjoyable hobbies and a chance to meet new people.**

Succeed!

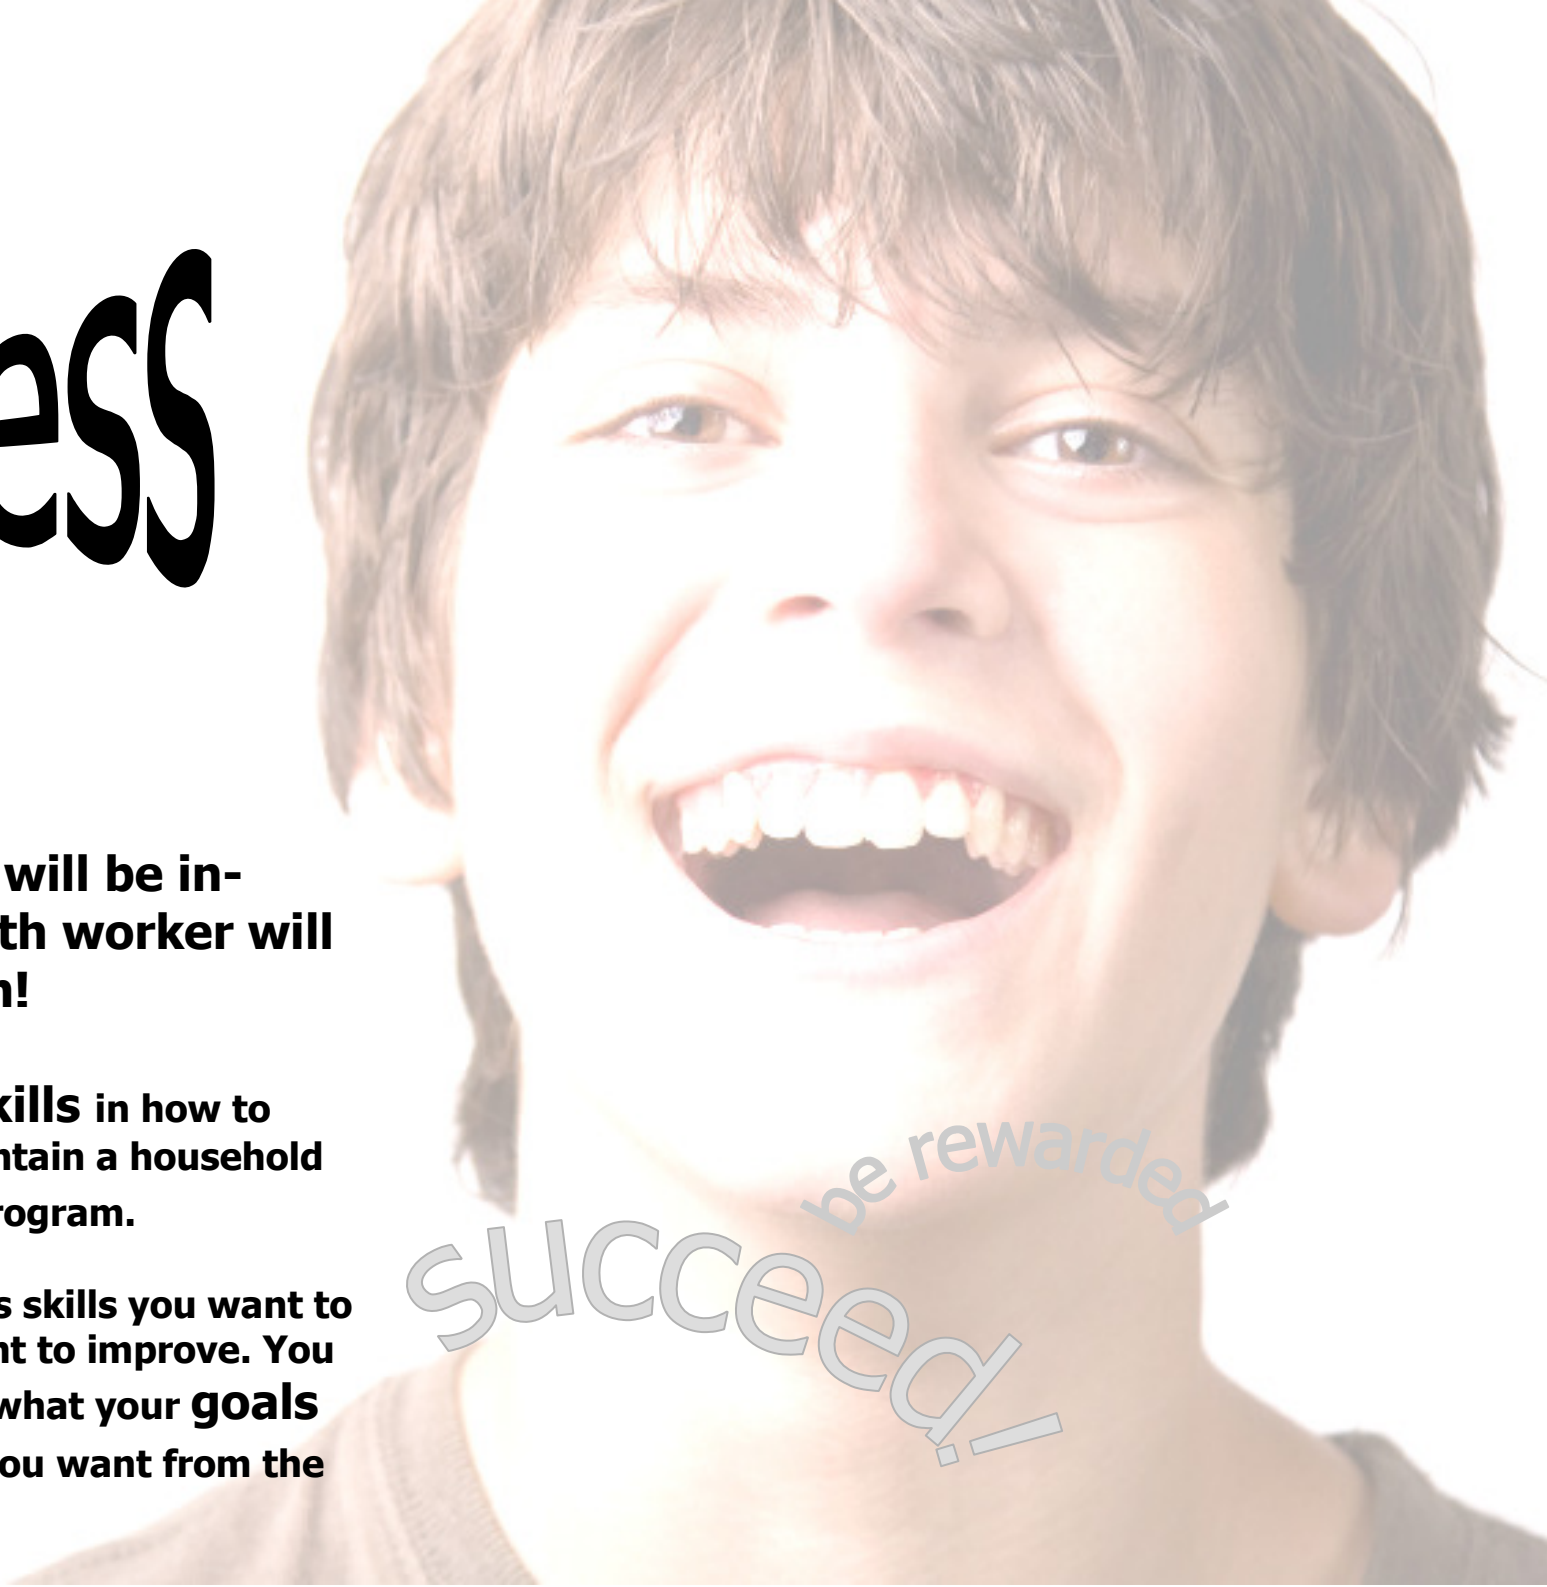

# progress

**the activities that you will be involved in with the youth worker will be educational and fun!**

**You will learn valuable skills** in how to budget, clean, cook and maintain a household as part of the **next step** program.

**You will sit down and discuss skills you want to learn and areas that you want to improve. You will then decide together what your goals are and what outcomes you want from the program.**

be rewarded  
succeed!

# be rewarded

**you will be rewarded for your commitment and hard work as the process unfolds!**

**you will be able to select a reward at the completion of each stage of the **next step** project. The rewards may include kitchen items, furniture and internet connections for your new home.**

**The rewards are selected from a list of possible **rewards**, and you will decide with the youth worker which are most relevant for you.**

Succeed!

# Succeed!

**the successful outcome of the next step project will give you the following outcomes**

**You will have your own rental property with the skill, knowledge and strategies in place to help you go at it alone.**

**access to a range of different services and resources in the community, while also be a valuable member of your community!**
